

BOLFRESH® BFF

Cross-Linked Anti-Fog Shrink film

BFF anti-fog shrink is the ideal film product for packaging products that are refrigerated to ensure quality. Examples include fresh fruits and vegetables, as well as a wide range of processed foods. The high performance anti-fog properties found in **BFF** produce packages with outstanding gloss and clarity for excellent retail shelf appeal. Shrink packaging provides customers confidence due to product protection and cleanliness.

Advantages

- Outstanding gloss and clarity
- High performance anti-fog properties
- Helps to preserve freshness and quality
- Broad operating window on a wide range of equipment.
- BFF complies with all the relevant FDA (USA) and FIA (Canada) regulations on food materials.
